1. Col. Bicknell opened the meeting to explain its purpose as being that of closer coordination between WIB, AAF and Op-34-E and the hope that an outline could be adopted, which would be agreeable to both services. This matter was discussed at considerable length, with all contingencies being considered, and the final conclusion was that the existing outline guide for Chapter IV would be used by both Army and Navy, but where necessary, it would be adapted to suit the needs and purposes of the preparing agencies.

2. Comdr. Cumberledge enthusiastically agreed to assign a man from his office to assist in the editing on Chapter IV whenever prepared by his agency. Lt. Col. George of A-2 had previously agreed to send a man from his office to assist in the editing of the Chapter prepared by his organization.

3. The Board agreed to amend the outline guide by eliminating paragraph 44 and substituting therefor: "SOIL TRAFFIC ABILITY".

The meeting adjourned.

Geo. H. Kountz
GEORGE H. KOUNTZ,
Lt. Col., G.S.C.,
Secretary.
